

What to expect at vSNE

Login page

On the day of the Meeting you will login to vSNE through the [website](#), entering your username (your email address) and password (the password you chose when you registered for the Meeting). If you have forgotten your password, simply click the forgot my password link to re-set.

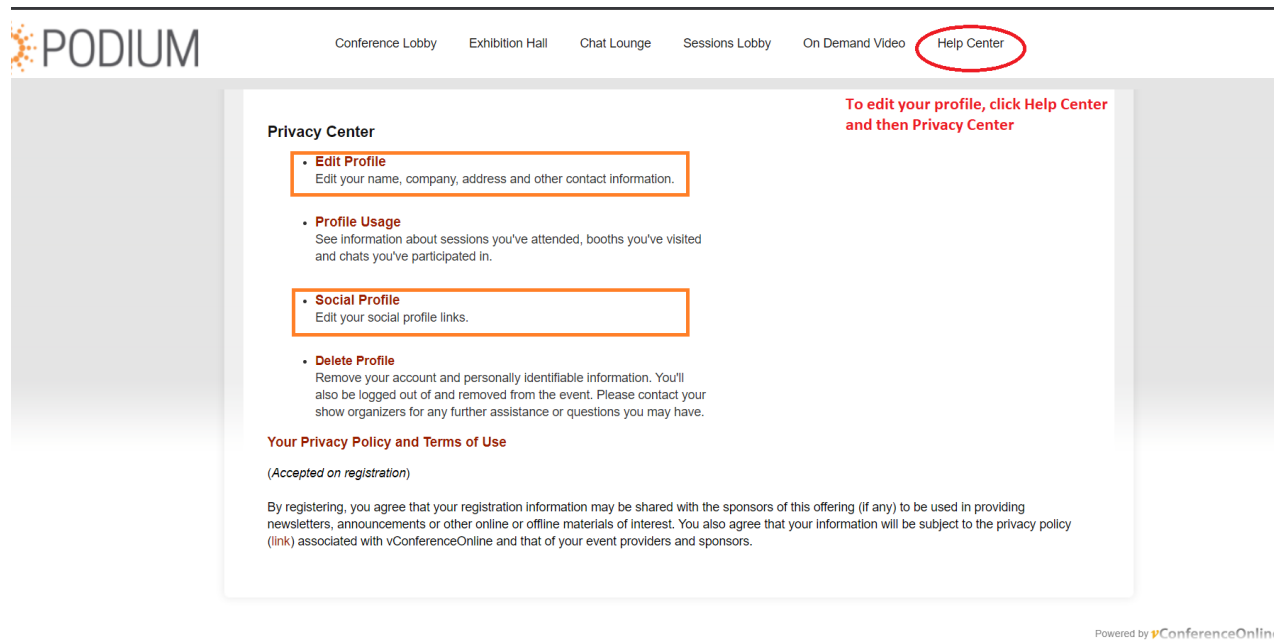

Please note: this is not a mobile friendly platform and is best experienced on a larger screen, rather than a handheld device.

Attendee Profile

You may edit your profile in the Privacy Center located in the Help Center.

In the section Social Profile, you feel free to add your Twitter, Facebook and other social media links so that attendees to contact you directly via social media.

In the Help Center, you may also contact the technical desk for any technical assistance that you might need.

The screenshot displays the vSNE interface. At the top, the 'PODIUM' logo is on the left, and a navigation menu includes 'Conference Lobby', 'Exhibition Hall', 'Chat Lounge', 'Sessions Lobby', 'On Demand Video', and 'Help Center' (which is circled in red). Below the navigation bar, a red text prompt reads: 'To edit your profile, click Help Center and then Privacy Center'. The main content area is titled 'Privacy Center' and contains four sections, each with a red header and a description:

- Edit Profile**: Edit your name, company, address and other contact information.
- Profile Usage**: See information about sessions you've attended, booths you've visited and chats you've participated in.
- Social Profile**: Edit your social profile links.
- Delete Profile**: Remove your account and personally identifiable information. You'll also be logged out of and removed from the event. Please contact your show organizers for any further assistance or questions you may have.

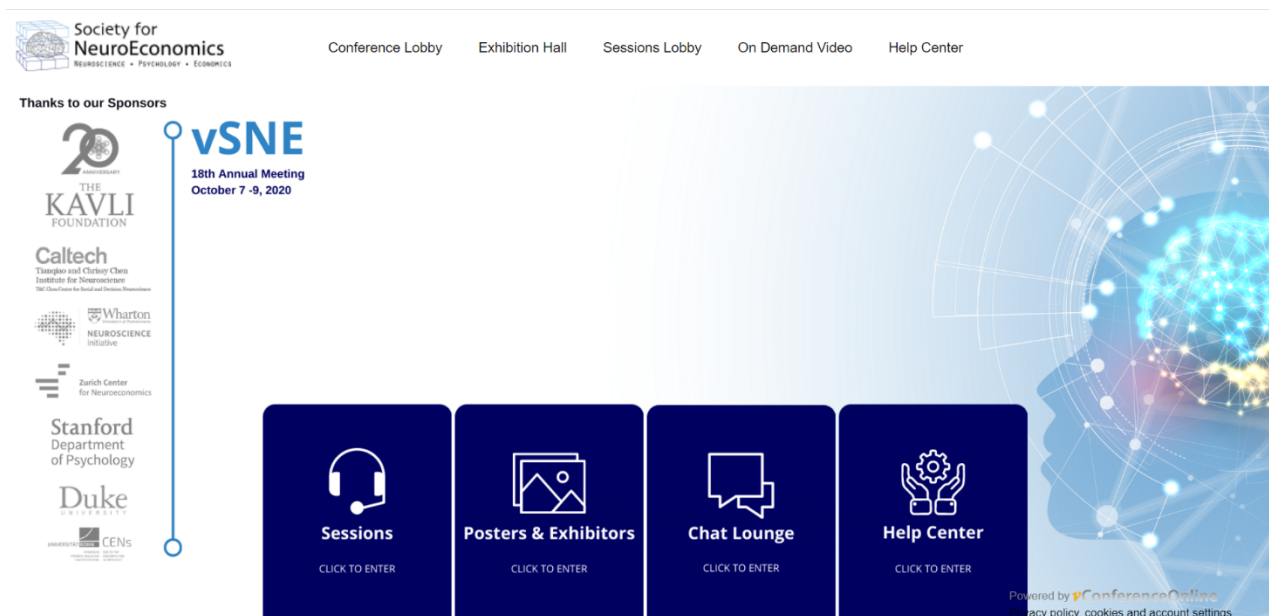

Below these sections, there is a link for 'Your Privacy Policy and Terms of Use' and a note: '(Accepted on registration)'. At the bottom, a paragraph states: 'By registering, you agree that your registration information may be shared with the sponsors of this offering (if any) to be used in providing newsletters, announcements or other online or offline materials of interest. You also agree that your information will be subject to the privacy policy (link) associated with vConferenceOnline and that of your event providers and sponsors.'

Main conference lobby

Once you have logged in, you will first enter the virtual lobby, as seen on the right. From this lobby you will click on the various icons to access the different spaces within the virtual platform. These spaces include the Session Lobby, where you will enter the various session 'rooms', as well as the Sponsor and Poster Hall, where you can view the posters and sponsors.

You may also navigate to the different areas via the navigation menu located at the top of the screen. Clicking the SNE logo located in the left upper corner will take you to the SNE website.

Sessions lobby

The sessions lobby provides an overview of the congress meeting 'rooms', where you can review what's currently scheduled versus what's coming up later. The dates and times will adapt automatically to appear in your time zone location.

There is only 1 track for the Meeting.

Enter a session by clicking on the blue 'enter room/track now' button at the bottom of the track panel.

Inside a session

Once in the session, you will then see a screen, where video presentation is played. Below the screen, you can see the text box for the live Q&A.

To ask a question, simply enter it into the text box provided. The question will be linked to your name and all questions and answers will be seen by all attendees in the 'room'.

If you wish to private chat with an attendee, click on the 'Who's Here?' button to view a list of attendees in the room – then click on the bubble icon beside the name of the person you wish to private chat with. Make sure you are in private chat mode.

Exhibit and poster hall

Much like an onsite conference, the poster and exhibit hall are accessed through the same space – simply click on the respective icons to view the poster or sponsor halls.

There are 5 poster halls organized on keywords:

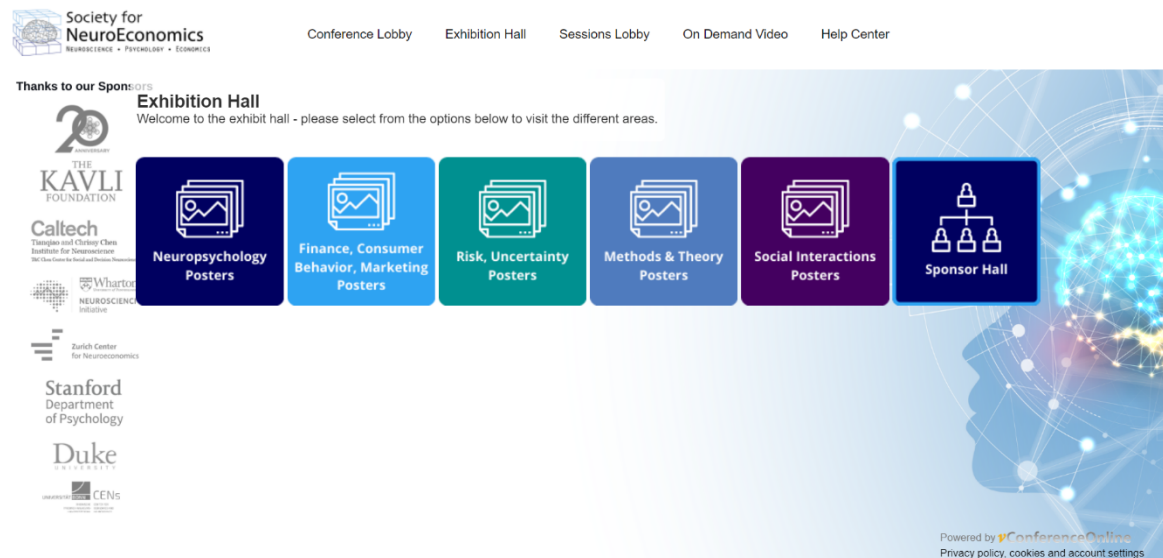

Neuropsychology

Finance, Consumer Behavior, Marketing

Risk, Uncertainty

Methods and Theory

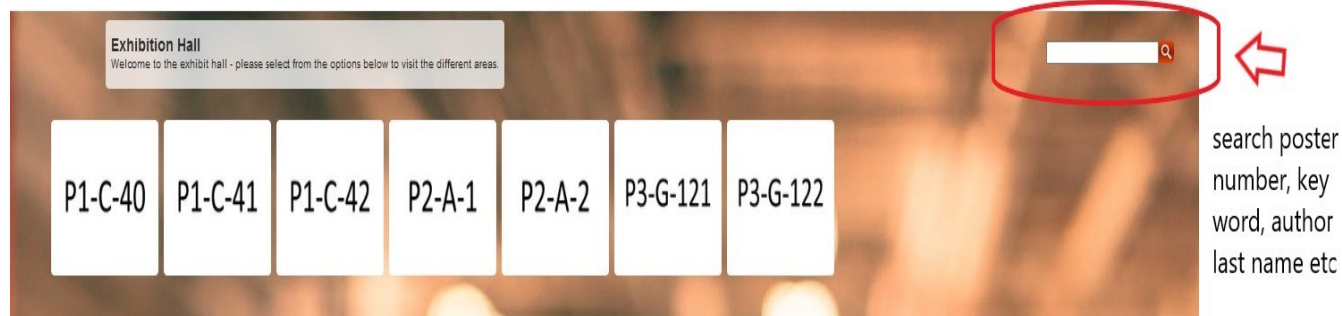

Social Interactions

Viewing a poster

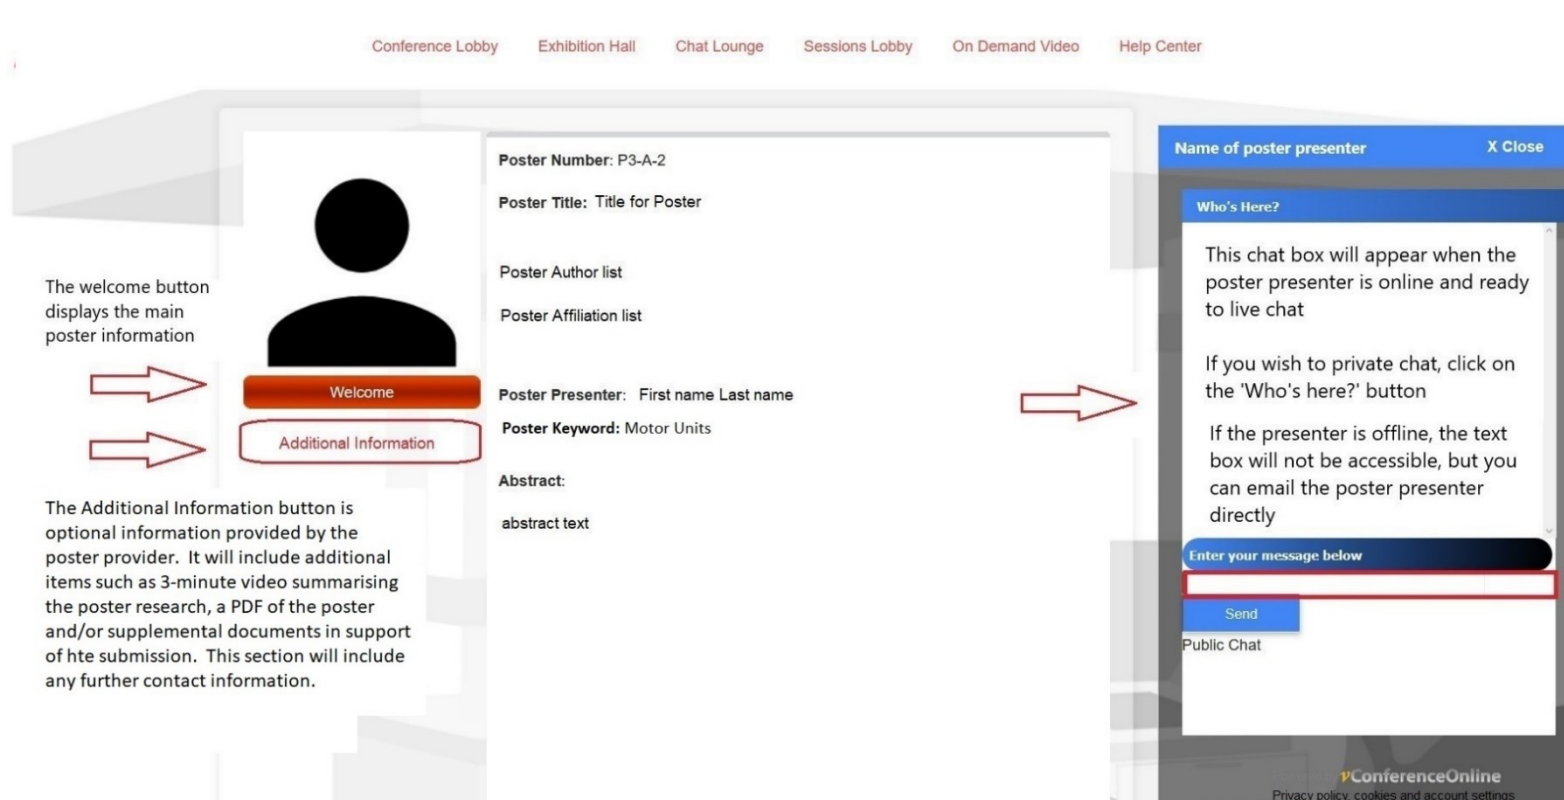

You may search any poster via the search box in the upper right corner of the screen. Posters are searchable by poster number, authors, and keywords.

In the poster hall, posters will be listed by poster number. Click on the poster number icon to enter the poster booth.

Inside a poster booth

After clicking a poster number icon, you will be taken to the individual poster booth which will look like:

The screenshot shows a web interface for a poster booth. At the top, there is a navigation bar with links: Conference Lobby, Exhibition Hall, Chat Lounge, Sessions Lobby, On Demand Video, and Help Center. The main content area displays a poster for 'P3-A-2' titled 'Title for Poster'. The poster includes fields for 'Poster Author list', 'Poster Affiliation list', 'Poster Presenter: First name Last name', 'Poster Keyword: Motor Units', and 'Abstract: abstract text'. On the left side of the poster, there is a silhouette of a person and two buttons: 'Welcome' (orange) and 'Additional Information' (white with a red border). Red arrows point from text annotations to these buttons. To the right of the poster, a chat window is open, titled 'Name of poster presenter' with a close button 'X Close'. The chat window has a 'Who's Here?' section with instructions on how to use the chat. At the bottom of the chat window, there is a text input field with the placeholder 'Enter your message below', a 'Send' button, and a 'Public Chat' label. The footer of the page includes the 'ConferenceOnline' logo and links for 'Privacy policy, cookies and account settings'.
